### PROGRAMME NOTES

- We book our entertainment up to a year in advance so the programme may be subject to change. In the unusual event an artist is not able to fulfil a booking, for example due to illness, we will do our best to find a replacement.
- This is not a full list of events and particularly over the summer period, other events are being planned. Summer Events will be notified separately in the Summer Programme which will be published in late June
- Please "like" our Facebook page to receive the latest news about entertainment at Golden Leas
- Evening Entertainment usually starts at 9.00 p.m. unless otherwise advised. Generally, live musicians will do two 45 minutes sets with a 20 minute break in the middle. Discos and Karokes will run continuously through to closing time.
- If you would like to use our Club to hold a birthday party, please call the office and speak to Wendy Gray, Club Manager. We do not charge for the use of the venue.
